Spring 2016 Meeting Agenda

Monday, March 7 – Wednesday, March 9

\*\*\*Draft Agenda, Subject to Change\*\*\*

**Monday, March 7**

<p>1:00 pm – 5:00 pm <i>Seneca-Iroquois</i></p> <p><b>Optional</b></p>	<p><b>ROR Collaboration – Networks Joint Session</b> <i>This session is open to all network members. Participants must commit to staying for the entire session.</i></p> <p><i>IRI's Boundariless Collaboration Research Team will hold an interactive session with attendees to address a real-world technical challenge faced by IRI members. IRI member companies were asked to submit their company's problem in advance and at least one was chosen to be addressed. A representative from the selected company will attend to present the problem, and attendees will work to develop a creative solution, using a variety of methods developed by the Boundariless Collaboration team and their partner, Carnegie Mellon University's Human-Computer Interaction Unit. It's a great opportunity to put your expertise to use and network with R&amp;D experts from a broad range of industries.</i></p>
<p>6:00 pm – 7:30 pm <i>The Spire</i></p>	<p><b>Networking Dinner and Team Trivia Showdown</b> <i>Meet your fellow Network members and go head-to-head against them for the title of Trivia Champion!</i></p>
